

**REMARKS**

Applicants hereby perfect the claim for priority to Korean Application No. 10-2002-0011639 filed March 5, 2002 by submission of the accompanying verified translation of the priority document.

Claims 20, 22 and 23 stand rejected under 35 U.S.C. §103(a) for obviousness over U.S. Patent No. 6,478,972 to Shim et al. The '972 patent issued on November 12, 2002, which is after the priority date of the present application of March 5, 2002. Accordingly, the Shim patent is not a proper reference for rejection of the claims.

Accordingly, claims 20, 22 and 23 define over the prior art of record and are in condition for allowance.

Respectfully submitted,
